- (3) The Commission may extend a suspension under paragraph (2) on one or more occasions for, on each occasion, a period not exceeding 3 months.<sup>48</sup>

- (2) An appeal under this Article against a decision may only be made by a person within 28 days after notice of the decision is served on the person, unless the Royal Court determines that the period should be extended.
- (3) If the Commission has not, within the 60 day period beginning on the day after an application is made to the Commission under Article 5A or 10A by a person, served a notice under Article 5A(4) or 10A(3), as the case requires, in relation to the application, the Commission shall be taken for the purposes of this Article –
- (a) to have decided to refuse the application; and

### **10C Fitness to practise<sup>58</sup>**

- (1) The Minister may by Order, for the purpose of facilitating the continuance, in another country or territory, of any authority to practise by virtue of which medical practitioners are registered, make arrangements for the evaluation of the fitness to practise of all or any class of registered medical practitioners.
- (2) Before making an Order under this Article, the Minister shall consult with such bodies or organizations in Jersey as appear to the Minister to be representative of any class of registered medical practitioners to which the Order would apply.

- (7) An Order made under paragraph (1) shall not confer any power for a person appointed to require another person to supply information or produce any document, the supply or production of which is prohibited by any enactment.
- (8) However, if a prohibition in another enactment operates only because information that is capable of identifying an individual is contained in the document, or forms part of the information, referred to in paragraph (6), the Order may empower a person appointed to require that the information be put into such a form as to prevent identification of the individual.
- (9) An Order made under paragraph (1) may further provide that, for the purpose of determining whether a disclosure is not prohibited, by reason that it is permitted by Article 63 of the [Data Protection \(Jersey\) Law 2018](#), there shall be an assumption that the disclosure is required by the Order.<sup>60</sup>

## **11 Saving for employment in hospitals<sup>61</sup>**

- (1) Notwithstanding the provisions of this Law, a person may be employed in a resident medical capacity in a hospital under the administration of the Minister for Health and Social Services if he or she satisfies such requirements and complies with such conditions as may be prescribed for the purposes of this Article.<sup>62</sup>
- (2) The Minister for Health and Social Services shall enter, in a list to be kept for that purpose, the name of any person employed by virtue of paragraph (1) and, on his or her ceasing to be so employed, his or her name shall be removed from the list.
