## MOTOR VEHICLES (DRIVING LICENCES) (JERSEY) ORDER 2003<sup>1</sup>

**THE HOME AFFAIRS COMMITTEE**, in pursuance of Articles 4, 8, 9, 10, 11, 12, 16, 20 and 84 of the [Road Traffic \(Jersey\) Law 1956](#), orders as follows –

Commencement [[see endnotes](#)]

### 1 Interpretation

- (1) In this Order, unless the context otherwise requires –
- “basic training course” has the meaning given to that expression by Article 13(1);
  - “compulsory basic training certificate” means a certificate given in accordance with Article 14(1);
  - “Group 1 licence” means a licence to drive a vehicle in category A1, A, B1, B, B+E, F, H, K or P;
  - “Group 2 licence” means a licence to drive a prescribed category of vehicle;
  - “Inspector” has the same meaning as in the [Motor Traffic \(Jersey\) Law 1935](#);
  - “Jersey Highway Code” means the code issued under Article 85 of the Law;
  - “Law” means the [Road Traffic \(Jersey\) Law 1956](#);
  - “maximum authorized mass” has the same meaning –
    - (a) in relation to a goods vehicle as permissible maximum weight; and
    - (b) in relation to any other vehicle or trailer as maximum gross weight;
  - “prescribed category of vehicle” has the meaning given in Article 9 of this Order;
  - “prescribed requirement”, in relation to a medical condition prescribed for the purpose of Article 9(3) of the Law, means a requirement prescribed for the purpose of Article 9(5) of the Law.<sup>2</sup>
- (2) A reference in this Order in respect of a licence or vehicle to a category by a letter specified in column 2 of Schedule 1 shall be taken to be a reference to a vehicle within the class or description of vehicles appearing opposite that letter in column 1.

## 2 Prescribed manner of applying for a licence<sup>3</sup>

- (1) For the purposes of Article 4(2)(a) and (8)(b) of the Law, the prescribed manner of applying to a parochial authority for the grant of a licence is by –
  - (a) completing the application form approved by the Minister; and
  - (b) submitting it to the parochial authority.
- (2) For the purpose of Article 4(8)(b) of the Law, the prescribed period is the period of 3 months ending with the expiry of the period for which the current licence is in force.
- (3) In this Article, “current licence” has the same meaning as in Article 4(8) of the Law.

## 3 Prescribed photograph requirements<sup>4</sup>

- (1) The photograph for the purposes of Article 4(2)(b)(ii) of the Law shall be –
  - (a) of the applicant alone;
  - (b) taken within 6 months before the date of the application;
  - (c) in colour, taken against a white, cream or light, plain background;
  - (d) in the case of –
    - (i) an application submitted in paper form, 45 mm by 35 mm and printed on normal photographic paper, or
    - (ii) an application submitted as an electronic communication, a digital or scanned photograph at 1200 dpi resolution or better; and
  - (e) a close up of the head and shoulders with the face covering 65% to 75% of the photograph.<sup>5</sup>
- (2) The photograph shall show –
  - (a) no shadows;
  - (b) the full face, looking straight at the camera;
  - (c) a neutral expression, with the mouth closed;
  - (d) the eyes open and clearly visible, with no sunglasses or heavily tinted glasses and no hair across the eyes;
  - (e) no reflection on spectacles, if worn, and the frames should not cover the eyes;
  - (f) the full head, without any head covering, unless it is worn for religious beliefs; and
  - (g) the face uncovered.
- (3) The photograph shall also –
  - (a) be in sharp focus and clear; and
  - (b) have a strong definition between the face and background.<sup>6</sup>
- (4) In paragraph (1)(d)(ii) “electronic communication” has the meaning given by Article 1(1) of the [Electronic Communications \(Jersey\) Law 2000](#).<sup>7</sup>

#### 4 Prescribed certificates – medical certificate

- (1) This Article applies –
  - (a) on an application for the first grant of a licence that includes a prescribed category of vehicle;
  - (b) on each application for the grant of a licence by a person to whom Article 4(5) or (6) of the Law applies;
  - (c) on an application for the grant of a licence by a person who has indicated in the application form any of the matters referred to in paragraph (2).<sup>8</sup>
- (2) Those matters are that the person is suffering from, has at any time suffered from or, if a period is specified in the application form, has during that period suffered from –
  - (a) a medical condition specified in the application form; or
  - (b) any other medical condition that would be likely to cause the driving by the person of a vehicle of the class or description the person would be authorized by the licence to drive, to be a source of danger to the public.<sup>9</sup>
- (3) For the purpose of Article 4(2)(b)(iii) of the Law, the application form must be accompanied by a certificate –
  - (a) in a form approved by the Minister; and
  - (b) signed by a registered medical practitioner not more than 3 months before the date of the application.<sup>10</sup>
- (4) In this Article, “application form” means the application form approved by the Minister under Article 2 of this Order.<sup>11</sup>

#### 5 Prescribed licences

- (1) Where Article 8(1)(c) of the Law applies the prescribed licence for the purposes of Article 4(2)(b)(iii) of the Law shall be the domestic driving permit referred to in Article 8(1)(c) of the Law.
- (2) Where the application is for the grant of a licence after the applicant has passed the prescribed test for a category of licence the prescribed licence for the purposes of Article 4(2)(b)(iii) of the Law shall be the provisional licence last issued to the applicant in respect of that category of vehicle.
- (3) Where the application is for the grant of a licence to which Article 8(1)(b) of the Law applies the prescribed licence for the purposes of Article 4(2)(b)(iii) of the Law shall be the licence last issued to the applicant.
- (4) Where the application is for the first grant of a licence that includes category B+E, C1 or D1 the prescribed licence for the purposes of Article 4(2)(b)(iii) of the Law –
  - (a) shall be a licence that includes category B (but shall not be a provisional licence to drive a vehicle in category B); and
  - (b) where the application is for a licence to drive a vehicle with manual transmission, shall not be a licence having effect subject to the condition referred to in Article 10(3).<sup>12</sup>
- (5) When the application is for the first grant of a licence that includes category C1+E the prescribed licence for the purposes of Article 4(2)(b)(iii) of the Law –

- (a) shall be a licence that includes category C1 (but shall not be a provisional licence to drive a vehicle in category C1); and
  - (b) where the application is for a licence to drive a vehicle with manual transmission, shall not be a licence having effect subject to the condition referred to in Article 10(3).<sup>13</sup>
- (6) When the application is for the first grant of a licence that includes category D1+E or D+E the prescribed licence for the purposes of Article 4(2)(b)(iii) of the Law –
  - (a) shall be a licence that includes category D1 or D (but shall not be a provisional licence to drive a vehicle in category D1 or D); and
  - (b) where the application is for a licence to drive a vehicle with manual transmission, shall not be a licence having effect subject to the condition referred to in Article 10(3).<sup>14</sup>
- (7) When the application is for the first grant of a licence that includes category C or D the prescribed licence for the purposes of Article 4(2)(b)(iii) of the Law –
  - (a) shall be a licence that includes category B (but shall not be a provisional licence to drive a vehicle in category B) which must contain, or have submitted with it, sufficient information to satisfy the parochial authority that the applicant has held that licence or a licence to drive that category of vehicle for a continuous period of at least 1 year; and
  - (b) where the application is for a licence to drive a vehicle with manual transmission, shall not be a licence having effect subject to the condition referred to in Article 10(3).<sup>15</sup>
- (8) Where the application is for the first grant of a licence that includes category C+E the prescribed licence for the purposes of Article 4(2)(b)(iii) of the Law –
  - (a) shall be a licence that includes category C (but shall not be a provisional licence to drive a vehicle in category C) which must contain, or have submitted with it, sufficient information to satisfy the parochial authority that the applicant has held that licence or a licence to drive that category of vehicle for a continuous period of at least 1 year; and
  - (b) where the application is for a licence to drive a vehicle with manual transmission, shall not be a licence having effect subject to the condition referred to in Article 10(3).<sup>16</sup>
- (9) Where the application is for the first grant of a licence that includes category A the prescribed licence for the purposes of Article 4(2)(b)(iii) of the Law –
  - (a) shall be a licence that includes category A1 (but shall not be a provisional licence to drive a vehicle in category A1) which must contain, or have submitted with it, sufficient information to satisfy the parochial authority that the applicant has held that licence or a licence to drive that category of vehicle for a continuous period of at least 1 year; and
  - (b) where the application is for a licence to drive a vehicle with manual transmission, shall not be a licence having effect subject to the condition referred to in Article 10(3).<sup>17</sup>
- (10) In this Article “manual transmission” in relation to a vehicle, means that its driver is provided with a means by which the driver may, independently of the use of its accelerator or brakes, vary the proportion of power produced by the engine of the vehicle that is transmitted to its road wheels.<sup>18</sup>

## 7 Prescribed fee payable on application for a licence

- (1) For the purpose of Article 4(2)(d) of the Law the prescribed fee payable by a person applying for a licence (not being a provisional licence) is the fee calculated in accordance with Schedule 3.<sup>20</sup>
- (2) Despite paragraph (1), if a person surrenders a licence to the competent authority so that the person may subsequently be granted another licence (other than a provisional licence) in respect of a different category or categories of vehicles, the prescribed fee for the grant of the other licence shall be the total of –
  - (a) whichever is the greater of –
    - (i) £15, and
    - (ii) the fee specified in Schedule 3 to be payable for the grant of a licence, less an amount, calculated at a rate of £5 for each year, or part of a year, for which the surrendered licence, if it had not been surrendered, would have remained in force; and
  - (b) if an applicant requests and receives same-day service, the fee specified in Schedule 3 to be payable for that service.<sup>21</sup>
- (3) Despite paragraphs (1) and (2), if the licence to be granted to a person shall, by virtue of Article 4(5), (6) or 9(10)(b) of the Law, remain in force for a period of less than 10 years, the prescribed fee for the grant of the licence shall be the total of –
  - (a) an amount calculated at a rate of £7 for each year, or part of a year, that the licence shall remain in force, or £20, whichever is the greater amount; and
  - (b) if an applicant requests and receives same-day service, the fee specified in Schedule 3 to be payable for that service.<sup>22</sup>

## 8 Prescribed form of licence<sup>23</sup>

For the purpose of Article 4(3) of the Law the prescribed form of licence (not being a provisional licence) is the form set out in Part 1 of Schedule 4 printed on a polycarbonate or similar card that is pink and on the background of which appear the words “driving licence” in languages of the European Union.

## 9 Prescribed category of vehicle<sup>24</sup>

For the purposes of Article 4(5) and (6) of the Law, a prescribed category of vehicle is a vehicle in category C1, C, D1, D, C1+E, C+E, D1+E or D+E.

## 10 Categories of vehicles

- (1) For the purpose of determining the class or description of vehicle a licence authorizes its holder to drive vehicles shall be divided into the categories specified in columns 1 and 2 of Schedule 1.

- (2) A licence that authorizes a person to drive a category of vehicle specified by a letter appearing in column 2 of Schedule 1 also authorizes the person to drive the category or categories of vehicles specified by a letter or letters appearing in column 3 opposite that category.
- (3) Where a person passes the practical test using a vehicle with automatic transmission paragraph (2) shall have effect subject to the condition that the person is only authorized to drive vehicles with automatic transmission.
- (4) Each category of vehicle referred to in paragraph (2) shall be specified in the licence and where paragraph (3) applies that fact shall be noted in the licence.
- (5) In this Article a reference to a letter appearing in column 2 or 3 of Schedule 1 includes any figure appearing in those columns.
- (6) In this Article “automatic transmission”, in relation to a vehicle, means that its driver is not provided with a means by which the driver may, independently of the use of its accelerator or the brakes, gradually vary the proportion of power produced by the engine of the vehicle that is transmitted to its road wheels.

## **11 Exchange of domestic driving permits: prescribed countries etc.**

- (1) A parochial authority may only issue, to a person who produces to the parochial authority a domestic driving permit held by the person, a Jersey licence within a category specified in column 3 of the table in Schedule 5 as being equivalent to the domestic driving permit, and may do so only if the domestic driving permit is –
  - (a) issued by a country or territory listed in column 1 of the table in Schedule 5; and
  - (b) within a class of permits listed, in relation to that country or territory, in column 2 of that table (having regard to any further conditions or limitations specified in column 4 of that table, or to the fulfilment of any further requirements so specified).
- (2) A licence shall not be issued under Article 8(1)(c) of the Law to the holder of a domestic driving permit unless that permit is surrendered to the parochial authority for return by that authority to the issuing authority.
- (3) Reference in this Article to a domestic driving permit includes reference to a letter or other document –
  - (a) provided by the issuing authority of any country or territory listed in column 1 of the table in Schedule 5;
  - (b) showing that the person producing the letter or document is authorized, under the law of that country or territory, to drive vehicles of a class or description corresponding to a class listed in column 2 of that table; and
  - (c) containing a statement, sufficient to satisfy the parochial authority, of the matters as to which a parochial authority is required to be satisfied under Article 8(1)(c)(i) and (iii) of the Law.<sup>25</sup>

## **12 Nature of tests of competence to drive**

- (1) For the purpose of Article 8(4) of the Law the tests of a person’s competence to drive a motor vehicle shall require the person to undertake –

- (a) in the case of a person specified in paragraph (2), a test following the person having undertaken a basic training course;
  - (b) an off-road theory test; and
  - (c) an on-road practical test.
- (2) Paragraph (1)(a) applies to –
- (a) a person who wants to obtain a licence (not being a provisional licence) to drive a category A1 or P vehicle; or
  - (b) a person who has been disqualified under Article 35 of the Law for holding or obtaining a licence (not being a provisional licence) to drive a category A vehicle until the person has passed the prescribed test.

### **13 Basic training course defined**

- (1) In this Order “basic training course” means a course held or arranged by the Minister and conducted by an instructor approved by the Minister that consists of –
- (a) a theoretical section, relating to knowledge of the contents of the Jersey Highway Code and other relevant motoring matters, and the working and maintenance of motor bicycles;
  - (b) “off-road” training, being training on a motor bicycle off the road in manoeuvring the motor bicycle; and
  - (c) “on-road” training, being training on a motor bicycle on the road in the handling of a motor bicycle.
- (2) A person undertaking the basic training course shall do so using a motor bicycle provided for the purpose by that person.

### **14 Basic training course certificate**

- (1) For the purpose of Article 8(4) of the Law, on a person’s successful completion of a basic training course the person shall be given a compulsory basic training certificate.
- (2) The certificate shall be in the form set out in Part 1 of Schedule 6.

### **15 Theory test<sup>26</sup>**

The off road theory test shall test the applicant’s knowledge of motoring matters including, in particular, the Jersey Highway Code and –

- (a) in the case of an applicant taking the test for a licence to drive a vehicle in category A, A1 or P, such motoring matters as are relevant to the driving of a vehicle in any of those categories;
- (b) in the case of an applicant taking the test for a licence to drive a vehicle in category B, B1, B+E, F, H or K, such motoring matters as are relevant to the driving of a vehicle in any of those categories;
- (c) in the case of an applicant taking the test for a licence to drive a vehicle in category C1, C1+E, C or C+E, such motoring matters as are relevant to the driving of a vehicle in any of those categories;

- (d) in the case of an applicant taking the test for a licence to drive a vehicle in category D1, D1+E, D or D+E, such motoring matters as are relevant to the driving of a vehicle in any of those categories.

## **16 Theory test certificate**

- (1) For the purpose of Article 8(4) of the Law, on a person's successful completion of an off road theory test the person shall be given a theory test certificate.
- (2) The certificate shall be in the form set out in Part 2 of Schedule 6.

## **17 The practical test**

- (1) An on road practical test can not be taken until after the applicant has passed the theory test.
- (2) It shall be a test taken on public roads in a suitable vehicle provided by the applicant.
- (3) In general the test shall seek to establish that the applicant –
  - (a) is fully conversant with the contents of the Jersey Highway Code and other relevant motoring matters; and
  - (b) is competent to drive, without danger to, and with due consideration for, other users of the road, a vehicle within the same category as that on which the applicant is tested.
- (4) In particular the applicant shall be tested in respect of –
  - (a) the matters specified in Part 1 of Schedule 7; and
  - (b) such matters in Part 2 of that Schedule as are stated to be applicable to the category of vehicle in respect of which the applicant is being tested.
- (5) For the purpose of Article 8(4)(a) of the Law, in this Article “suitable vehicle”, in respect of a category of vehicle to be provided for a test, means, a vehicle described in column 2 of Schedule 8 that appears opposite the category of vehicle in column 1 of that Schedule in respect of which the applicant is to be tested.

## **18 Prescribed test certificate**

- (1) For the purpose of Article 8(4) of the Law, on a person's successful completion of the practical test the person shall be given a certificate showing that the person has passed the prescribed test and the category of vehicle in respect of which the person was tested.
- (2) The certificate shall be in the form set out in Part 1 of Schedule 9.
- (3) For the purpose of Article 8(4) of the Law, if a person fails the practical test the person shall be given a statement showing that the person has taken but failed to pass the practical test and the category of vehicle in respect of which the person was tested.
- (4) The statement shall be in the form set out in Part 2 of Schedule 9.

**19 Application to take test of competence to drive**

- (1) A person who wants to undertake the basic training course must apply to the person holding the course.
- (2) A person who wants –
  - (a) to take the theory test; or
  - (b) to take the practical test,must apply to do so in a manner approved by the Inspector.
- (3) For the purpose of Article 8(4)(b) of the Law the fee to accompany an application referred to in this Article is the appropriate fee set out in Schedule 3.

**20 Application for theory test<sup>27</sup>**

The Inspector shall not accept an application to take the off road theory test unless the application is accompanied by a current provisional licence that authorizes the applicant to drive the category of vehicle in respect of which the applicant is to be tested.

**21 Application for practical test**

- (1) The Inspector shall not accept an application to take the on road practical test unless the application is accompanied by –
  - (a) a current provisional licence that authorizes the applicant to drive the category of vehicle in respect of which the applicant is to be tested;
  - (b) a theory test certificate showing that the applicant has successfully passed the theory test; and
  - (c) where the application is made by a person specified in paragraph (2), a compulsory basic training certificate showing that the applicant has successfully completed the basic training course.<sup>28</sup>
- (2) Paragraph (1)(c) applies to –
  - (a) a person who wants to obtain a licence to drive a category A1 or P vehicle; or
  - (b) a person who has been disqualified under Article 35 of the Law for holding or obtaining a licence to drive a category A vehicle until the person has passed the prescribed test.
- (3) A person who fails a practical test is ineligible to take another practical test in respect of the same category of vehicle for 1 week after failing the test.

**22 Test fees**

- (1) For the purpose of Article 8(4)(b) of the Law the prescribed fee payable by a person seeking to submit himself or herself to any part of the prescribed test is the appropriate fee specified in Schedule 3.
- (2) For the purpose of Article 8(5)(b) of the Law the prescribed period of notice is 3 clear days.

- (3) For the purpose of paragraph (2) a Saturday, a Sunday, a day appointed by the States to be observed as a public holiday, Christmas Day or Good Friday is not a “clear day”.

### 23 Taking the theory test

- (1) The Inspector must not permit a person to take a theory test unless immediately before taking the test –
- (a) the person taking the test has produced to the Inspector a current licence that authorises the person to drive the category of vehicle in respect of which the person is to be tested; or
  - (b) if the person taking the test is not able to produce the licence described in sub-paragraph (a) upon request by the Inspector, the Inspector is satisfied from other evidence that the person has a current licence that authorises the person to drive the category of vehicle in respect of which the person is to be tested.<sup>29</sup>
- (2) A person who fails a theory test is ineligible to take another theory test in respect of the same category of vehicle for 1 week after failing the test.

### 24 Taking the practical test

- (1) A person taking the practical test shall provide a suitable vehicle for the purpose.
- (2) During the test the vehicle shall not –
- (a) carry passengers or cargo; or
  - (b) be fitted with a device designed to permit a person other than its driver to operate its accelerator.
- (3) Paragraph (2)(b) does not apply if any pedal or lever by which the device is operated and any other part that it may be necessary to remove to make the device inoperable have been removed.
- (4) An examiner must not permit a person to take a practical test unless immediately before taking the test –
- (a) the person taking the test has produced to the examiner a current licence authorising the person to drive the category of vehicle in respect of which the person is to be tested;
  - (b) the person taking the test has signed a declaration on a form produced to the person by the examiner that there is in force, in relation to the use of the vehicle provided for the test, a policy of insurance which complies with the requirements of the [Motor Traffic \(Third-Party Insurance\) \(Jersey\) Law 1948](#);
  - (c) the person taking the test has produced to the examiner a theory test certificate showing that the person has successfully passed the theory test or, if the person is unable to produce this certificate upon request by the examiner, the examiner is satisfied from other evidence that the person has this certificate; and
  - (d) where the person taking the test is a person specified in paragraph (5), the person taking the test has produced to the examiner a compulsory basic

training certificate showing that the person has successfully completed the basic training course.<sup>30</sup>

- (5) Paragraph (4)(d) applies to –
  - (a) a person who wants to obtain a licence to drive a category A1 or P vehicle; or
  - (b) a person who has been disqualified under Article 35 of the Law for holding or obtaining a licence to drive a category A vehicle until the person has passed the prescribed test.<sup>31</sup>
- (6) A person while taking the practical test must allow –
  - (a) the examiner; and
  - (b) any other person authorized by the Inspector to attend the test to supervise it or for any other relevant purpose,to travel in the vehicle provided for the test.
- (7) Paragraph (6) does not apply in respect of a motor cycle or a vehicle not fitted with seats for passengers.

## **25 Relevant medical conditions and prescribed requirements (Group 1 and Group 2 licences)<sup>32</sup>**

- (1) This Article applies to Group 1 and Group 2 licences.
- (2) The following medical conditions are prescribed for the purposes of Articles 9(3) and 10 of the Law –
  - (a) a severe mental disorder;
  - (b) a liability to sudden attacks of disabling giddiness or fainting caused by a disorder or defect of the heart, as a result of which a device designed to correct the disorder or defect has been implanted in the applicant's body to regulate the action of the heart;
  - (c) a liability to sudden attacks of disabling giddiness or fainting other than an attack falling within sub-paragraph (b);
  - (d) persistent misuse of drugs or alcohol, whether or not the misuse amounts to dependency;
  - (e) the absence of one or more limbs;
  - (f) the deformity of one or more limbs;
  - (g) the loss of use of one or more limbs that is not progressive in nature.
- (3) The relevant medical conditions in paragraph (2)(b), (e), (f) and (g) are prescribed for the purpose of Article 9(5) of the Law.
- (4) For the relevant medical condition in paragraph (2)(b), the prescribed requirements are that –
  - (a) the applicant has undergone a medical examination by a registered medical practitioner who has provided the prescribed certificate required by Article 4 of this Order;

- (b) the prescribed certificate contains a declaration signed by the applicant that the applicant has made adequate arrangements to receive regular medical supervision by a cardiologist (such supervision to continue for the period the licence is in force), and the applicant is conforming to those arrangements; and
  - (c) the parochial authority is satisfied that the relevant medical condition is not likely to cause the applicant to be a source of danger to the public when driving a motor vehicle authorised by the licence.
- (5) For the relevant medical conditions in paragraph (2)(e), (f) and (g), the prescribed requirements are that –
- (a) the applicant has undergone a medical examination by a registered medical practitioner who has provided the prescribed certificate required by Article 4 of this Order; and
  - (b) the applicant has undergone a practical driving assessment if required by the parochial authority under Article 9(6)(b) of the Law.
- (6) In this Article –
- “cardiologist” means a registered medical practitioner who specialises in disorders or defects of the heart and who holds a hospital appointment in relation to that specialism;
- “limb” includes part of a limb;
- “loss of use”, in relation to a limb, includes a deficiency of limb movement or power;
- “severe mental disorder” includes any of the following –
- (a) severe mental illness or disability;
  - (b) arrested or incomplete development of the mind;
  - (c) psychopathic disorder;
  - (d) severe impairment of intelligence or social functioning, including severe behavioural problems that are due to aging or personality defects leading to seriously impaired judgment, behaviour or adaptability;
  - (e) severe mental disturbance, whether –
    - (i) congenital, or
    - (ii) due to disease, trauma or a neurosurgical operation.

## **26 Impairment of vision – relevant medical condition and prescribed requirements (Group 1 licences only)<sup>33</sup>**

- (1) This Article applies to Group 1 licences only.
- (2) Impairment of vision is a medical condition prescribed for the purposes of Articles 9(3) and 10 of the Law.
- (3) For the purpose of paragraph (2), an applicant suffers from impairment of vision if the applicant does not meet –
  - (a) the Group 1 visual acuity standard and the Group 1 visual field standard; and

- (b) for an applicant with diplopia or sight in only one eye, the adaptation standard.
- (4) The relevant medical condition in paragraph (2) is prescribed for the purpose of Article 9(5) of the Law.
- (5) The prescribed requirements in paragraph (6) apply in relation to that relevant medical condition if the applicant suffers from impairment of vision by reason of not meeting the Group 1 visual field standard.
- (6) The prescribed requirements are –
  - (a) since developing the visual field defect –
    - (i) the applicant has undergone a medical examination by a registered medical practitioner who has provided the prescribed certificate required by Article 4 of this Order, and
    - (ii) the applicant has undergone a practical driving assessment if required by the parochial authority under Article 9(6)(b) of the Law;
  - (b) the prescribed certificate states that –
    - (i) the applicant meets the Group 1 visual acuity standard,
    - (ii) the visual field defect has been present for at least the last 12 months,
    - (iii) the visual field defect was caused by an isolated event or by a non-progressive condition,
    - (iv) there is no other condition or pathology present that is regarded as progressive and likely to affect the visual field,
    - (v) there is clinical confirmation of full functional adaptation,
    - (vi) the applicant has sight in both eyes,
    - (vii) there is no uncontrolled diplopia,
    - (viii) there is no other impairment of visual function, including glare sensitivity, contrast sensitivity or impairment of twilight vision; and
  - (c) the parochial authority is satisfied that the relevant medical condition is not likely to cause the applicant to be a source of danger to the public when driving a motor vehicle authorised by the licence.
- (7) For the purpose of this Article, the Group 1 visual acuity standard is –
  - (a) a visual acuity of at least 6/12 (decimal 0.5) on the Snellen scale (wearing corrective lenses if necessary); and
  - (b) the ability to read in good daylight (wearing corrective lenses if necessary) a registration mark that is fixed to a motor vehicle and contains characters that are 79 millimetres high and 50 millimetres wide, viewed from a distance of –
    - (i) 12 metres, for a licence to drive only a vehicle in category K, or
    - (ii) 20 metres, for any other licence.
- (8) For the purpose of this Article, the Group 1 visual field standard is –
  - (a) a measurement of at least 120 degrees on the horizontal plane;
  - (b) an extension of at least 50 degrees left and an extension of at least 50 degrees right on the horizontal plane;

- (c) an extension of at least 20 degrees above and an extension of at least 20 degrees below the horizontal plane; and
  - (d) there is no significant visual field defect present within a radius of the central 20 degrees of the field of vision.
- (9) For the purpose of this Article, the adaptation standard for an applicant having diplopia or sight in only one eye is that –
- (a) there has been an appropriate period of adaptation to that condition; and
  - (b) there is clinical confirmation of full adaptation to that condition.
- (10) In this Article, “sight in only one eye” means a total functional loss of vision in one eye or use of only one eye.

## **27 Impairment of vision – relevant medical condition (Group 2 licences only)<sup>34</sup>**

- (1) This Article applies to Group 2 licences only.
- (2) Impairment of vision is a medical condition prescribed for the purposes of Articles 9(3) and 10 of the Law.
- (3) For the purpose of paragraph (2), an applicant suffers from impairment of vision if the applicant –
- (a) does not meet the standards in paragraph (4);
  - (b) has sight in only one eye; or
  - (c) has uncontrolled diplopia.
- (4) The standards are –
- (a) the Group 1 visual acuity standard;
  - (b) the Group 2 additional visual acuity standard; and
  - (c) the Group 2 visual field standard.
- (5) For the purpose of this Article, the Group 2 additional visual acuity standard is a measurement of visual acuity on the Snellen scale of at least 6/7.5 (decimal 0.8) in the better eye and at least 6/60 (decimal 0.1) in the worse eye.
- (6) Corrective lenses may be worn if necessary to measure visual acuity for the purpose of paragraph (5), but only if –
- (a) the correction made by the lenses is well tolerated; or
  - (b) the corrective lenses have a power not exceeding plus 8 dioptries.
- (7) For the purpose of this Article, the Group 2 visual field standard is –
- (a) a measurement of at least 160 degrees on the horizontal plane;
  - (b) an extension of at least 70 degrees left and at least 70 degrees right on the horizontal plane;
  - (c) an extension of at least 30 degrees above and at least 30 degrees below the horizontal plane;
  - (d) there is no significant visual field defect present within a radius of the central 30 degrees of the field of vision; and

- (e) there is no other impairment of visual function, including glare sensitivity, contrast sensitivity or impairment of twilight vision.
- (8) In this Article –
  - “Group 1 visual acuity standard” has the same meaning as in Article 26(7) of this Order;
  - “sight in only one eye” has the same meaning as in Article 26(10) of this Order.

## **28 Epilepsy – relevant medical condition and prescribed requirements (Group 1 licences only)<sup>35</sup>**

- (1) This Article applies to Group 1 licences only.
- (2) Epilepsy is a medical condition prescribed for the purposes of Articles 9(3) and 10 of the Law.
- (3) For the purpose of paragraph (2), an applicant has suffered from epilepsy if, in the last 5 years, the applicant has had 2 or more unprovoked seizures more than 24 hours apart.
- (4) The relevant medical condition in paragraph (2) is prescribed for the purpose of Article 9(5) of the Law.
- (5) The prescribed requirements in relation to that relevant medical condition are that –
  - (a) the applicant has undergone a medical examination by a registered medical practitioner who has provided the prescribed certificate required by Article 4 of this Order;
  - (b) the prescribed certificate states that in the last 12 months, the applicant has not had an unprovoked seizure, or has not had an unprovoked seizure other than a permitted seizure;
  - (c) the prescribed certificate contains a declaration signed by the applicant undertaking to comply so far as is reasonably practicable with directions given by a registered medical practitioner (or a person working under their supervision) regarding treatment for epilepsy, including directions as to regular medical check-ups; and
  - (d) the parochial authority is satisfied that the relevant medical condition is not likely to cause the applicant to be a source of danger to the public when driving a motor vehicle authorised by the licence.
- (6) In this Article, “a permitted seizure” means –
  - (a) one or more unprovoked seizures (which may be a medication adjustment seizure) falling within a permitted pattern of seizure;
  - (b) a medication adjustment seizure (not falling within a permitted pattern of seizure) that occurred more than 6 months before the date of the application, but only if –
    - (i) previously effective anti-epilepsy medication has been reinstated for at least the last 6 months, and
    - (ii) there has been no further unprovoked seizure since the medication adjustment seizure.
- (7) In this Article, “permitted pattern”, in relation to seizures, means –

- (a) a pattern of unprovoked seizures occurring during sleep for at least the last 12 months (if there has never been an unprovoked seizure while awake);
  - (b) a pattern of unprovoked seizures occurring during sleep for at least the last 3 years (if there is also a history of unprovoked seizures while awake, the last of which occurred more than 3 years before the date of the application);  
or
  - (c) a pattern of unprovoked seizures occurring while awake that have no influence on consciousness or the ability to act and that have occurred for at least the last 12 months (if there has never been any other type of unprovoked seizure).
- (8) In this Article –
- “medication adjustment seizure” means an unprovoked seizure that occurs as a result of the substitution, reduction or withdrawal of anti-epilepsy medication on the documented advice of a registered medical practitioner;
- “unprovoked seizure” means a seizure that does not have a recognisable and reliably avoidable causative factor.

## **29 Isolated seizures – relevant medical condition and prescribed requirements (Group 1 licences only)<sup>36</sup>**

- (1) This Article applies to Group 1 licences only.
- (2) An isolated seizure is a medical condition prescribed for the purposes of Articles 9(3) and 10 of the Law.
- (3) For the purpose of paragraph (2), an applicant has suffered an isolated seizure if, in the last 5 years, the applicant has had one or more unprovoked seizures that occurred in a 24-hour period.
- (4) The relevant medical condition in paragraph (2) is prescribed for the purpose of Article 9(5) of the Law.
- (5) The prescribed requirements in relation to that relevant medical condition are that –
  - (a) the applicant has undergone a medical examination by a registered medical practitioner who has provided the prescribed certificate required by Article 4 of this Order;
  - (b) the prescribed certificate states whether or not the applicant has an increased risk of suffering an isolated seizure because of an underlying causative factor, and –
    - (i) for an applicant who has such an increased risk, states that the applicant has not had an unprovoked seizure in the last 12 months, or
    - (ii) for an applicant who has no underlying causative factor that may lead to an increased risk, states that the applicant has not had an unprovoked seizure in the last 6 months;
  - (c) the prescribed certificate contains a declaration signed by the applicant undertaking to comply, so far as is reasonably practicable, with directions given by a registered medical practitioner (or a person working under their supervision) regarding treatment for an isolated seizure and any underlying causative factor, including directions as to regular medical check-ups; and

- (d) the parochial authority is satisfied that the relevant medical condition is not likely to cause the applicant to be a source of danger to the public when driving a motor vehicle authorised by the licence.
- (6) In this Article, “unprovoked seizure” has the same meaning as in Article 28(8) of this Order.

### **30 Epilepsy and other seizures – relevant medical conditions and prescribed requirements (Group 2 licences only)<sup>37</sup>**

- (1) This Article applies to Group 2 licences only.
- (2) The following medical conditions are prescribed for the purposes of Articles 9(3) and 10 of the Law –
  - (a) epilepsy;
  - (b) an isolated seizure;
  - (c) liability to seizures other than epilepsy or isolated seizures.
- (3) For the purpose of paragraph (2)(a), an applicant has suffered from epilepsy if –
  - (a) the applicant has had 2 or more unprovoked seizures more than 24 hours apart; or
  - (b) the applicant has been prescribed medication to treat epilepsy.
- (4) For the purpose of paragraph (2)(b), an applicant has suffered an isolated seizure if –
  - (a) the applicant has had one or more unprovoked seizures that occurred in a 24-hour period; or
  - (b) the applicant has been prescribed medication to treat a seizure.
- (5) The relevant medical conditions in paragraph (2)(a) and (b) are prescribed for the purpose of Article 9(5) of the Law.
- (6) The prescribed requirements in relation to those relevant medical conditions are that –
  - (a) the applicant has undergone a medical examination by a registered medical practitioner who has provided the prescribed certificate required by Article 4 of this Order;
  - (b) for an applicant who has suffered from epilepsy, the prescribed certificate states that –
    - (i) the applicant has undergone a medical examination by a medical practitioner specialising in neurology and licensed to practise under the Medical Act 1983 of the United Kingdom, and
    - (ii) that medical practitioner has provided a report stating that, in the last 10 years, the applicant has had no more than one unprovoked seizure and has not been prescribed medication to treat epilepsy;
  - (c) for an applicant who has suffered an isolated seizure, the prescribed certificate states that –

- (i) the applicant has undergone a medical examination by a medical practitioner specialising in neurology and licensed to practise under the Medical Act 1983 of the United Kingdom, and
  - (ii) that medical practitioner has provided a report stating that, in the last 5 years, the applicant has not had an unprovoked seizure and has not been prescribed medication to treat a seizure;
  - (d) the parochial authority is satisfied that the relevant medical condition is not likely to cause the applicant to be a source of danger to the public when driving a motor vehicle authorised by the licence.
- (7) In this Article, “unprovoked seizure” has the same meaning as in Article 28(8).

### **30A Diabetes mellitus – relevant medical condition and prescribed requirements (Group 1 licences only)<sup>38</sup>**

- (1) This Article applies to Group 1 licences only.
- (2) Diabetes mellitus is a medical condition prescribed for the purposes of Articles 9(3) and 10 of the Law if the applicant is being treated with –
  - (a) insulin; or
  - (b) medication other than insulin that carries a risk of inducing hypoglycaemia.
- (3) The relevant medical condition in paragraph (2) is prescribed for the purpose of Article 9(5) of the Law if the applicant –
  - (a) in the last 12 months, has experienced no more than one episode of hypoglycaemia while awake that required the assistance of another person;
  - (b) in the last 3 months, has not experienced any episode of hypoglycaemia while awake that required the assistance of another person; and
  - (c) does not have an impaired awareness of hypoglycaemia.
- (4) The prescribed requirements in relation to that relevant medical condition are that –
  - (a) the applicant has undergone a medical examination by a registered medical practitioner who has provided the prescribed certificate required by Article 4 of this Order;
  - (b) for an applicant who is being treated with insulin, the prescribed certificate contains a declaration signed by the applicant that –
    - (i) the applicant understands the risks of hypoglycaemia and how to adequately control it,
    - (ii) the applicant has attended, and undertakes to attend, medical appointments as advised by the applicant’s registered medical practitioner, and
    - (iii) the applicant undertakes to carry out appropriate monitoring to assess glucose levels and the risk of hypoglycaemia; and
  - (c) the parochial authority is satisfied that the relevant medical condition is not likely to cause the applicant to be a source of danger to the public when driving a motor vehicle authorised by the licence.

- (5) In this Article, “impaired awareness of hypoglycaemia” means inability to detect the onset of hypoglycaemia because of a total absence of warning symptoms.

**30B Diabetes mellitus – relevant medical condition and prescribed requirements (Group 2 licences only)<sup>39</sup>**

- (1) This Article applies to Group 2 licences only.
- (2) Diabetes mellitus is a medical condition prescribed for the purposes of Articles 9(3) and 10 of the Law if the applicant is being treated with –
- (a) insulin; or
  - (b) medication other than insulin that carries a risk of inducing hypoglycaemia.
- (3) The relevant medical condition in paragraph (2) is prescribed for the purpose of Article 9(5) of the Law if –
- (a) in the last 12 months, the applicant has not experienced an episode of hypoglycaemia while awake that required the assistance of another person;
  - (b) the applicant does not have –
    - (i) an impaired awareness of hypoglycaemia, or
    - (ii) a reduced ability to detect the onset of hypoglycaemia because of the absence of some warning symptoms; and
  - (c) for an applicant who is being treated with insulin, the applicant has undergone treatment with insulin for at least 4 weeks.
- (4) The prescribed requirements in relation to that relevant medical condition are that –
- (a) the applicant has undergone a medical examination by a registered medical practitioner who has provided the prescribed certificate required by Article 4 of this Order;
  - (b) for an applicant who is being treated with insulin, the prescribed certificate states that –
    - (i) the applicant has undergone a medical examination by a medical practitioner specialising in diabetes mellitus and licensed to practise under the Medical Act 1983 of the United Kingdom, and
    - (ii) that medical practitioner has provided a report stating that the applicant has a history of responsible diabetic control and currently has a minimal risk of impairment due to hypoglycaemia;
  - (c) for an applicant who is being treated with medication other than insulin that carries a risk of inducing hypoglycaemia, the prescribed certificate states that the registered medical practitioner is satisfied that the applicant has a history of responsible diabetic control and currently has a minimal risk of impairment due to hypoglycaemia;
  - (d) the prescribed certificate contains a declaration signed by the applicant that the applicant understands the risk of hypoglycaemia and undertakes to –
    - (i) regularly monitor their condition and, in particular, monitor their blood glucose at least twice daily and at times relevant to driving (for an applicant who is being treated with insulin, using a device that

incorporates an electronic memory function to measure and record blood glucose levels),

- (ii) comply with directions regarding treatment for diabetes given by the registered medical practitioner overseeing the treatment (or a person working under their supervision), and
  - (iii) follow the advice of the registered medical practitioner (or a person working under their supervision) concerning fitness to drive; and
  - (e) the parochial authority is satisfied that the relevant medical condition is not likely to cause the applicant to be a source of danger to the public when driving a motor vehicle authorised by the licence.
- (5) In this Article, “impaired awareness of hypoglycaemia” means inability to detect the onset of hypoglycaemia because of a total absence of warning symptoms.

### **31 Form to be served on holder of licence by parochial authority**

For the purpose of Article 10(5) of the Law the prescribed form shall be –

- (a) where the form is to be served for the purpose of Article 10(6)(a) of the Law, the form set out in Part 1 of Schedule 10; or
- (b) where the form is to be served for the purpose of Article 10(6)(b) of the Law, the form set out in Part 2 of Schedule 10.

### **32 Prescribed fee payable on application for a provisional licence<sup>40</sup>**

For the purpose of Article 11(1) of the Law the prescribed fee payable by a person applying for a provisional licence is the fee calculated in accordance with Schedule 3.

### **33 Prescribed form of provisional licence<sup>41</sup>**

For the purpose of Article 11(1) of the Law the prescribed form of provisional licence is the form set out in Part 2 of Schedule 4 printed on a polycarbonate or similar card that is pink and on the background of which appear the words “driving licence” in languages of the European Union.

### **34 Prescribed conditions of provisional licence**

- (1) For the purpose of Article 11(1) of the Law the prescribed conditions subject to which a provisional licence shall be granted are those set out in this Article.
- (2) The condition set out in paragraph (3) does not apply –
  - (a) in respect of a motor cycle unless it has attached to it a sidecar constructed for the carriage of a passenger;
  - (b) a vehicle (other than a motor car) that is not constructed or adapted to carry more than one person; or
  - (c) when the holder of the licence is undergoing the practical part of the prescribed test.

- (3) The condition is that the holder of the provisional licence must not drive a vehicle except under the supervision of a person who has attained the age of 21 years and who is present in the vehicle and holds and has held for at least 3 years a licence (not being a provisional licence) to drive a vehicle of the same category as the vehicle being driven by the holder of the provisional licence.
- (4) The condition set out in paragraph (5) does not apply in respect of –
  - (a) a motor cycle or moped to which a sidecar is attached; or
  - (b) a pedal bicycle of the tandem type to which an additional means of propulsion by mechanical power is attached.
- (5) The condition is that the holder of the provisional licence must not drive a motor cycle or a moped accompanied by a passenger.
- (6) The condition set out in paragraph (7) does not apply in respect of a motor cycle or moped.
- (7) The condition is that the holder of the provisional licence must not drive a vehicle that does not have displayed in a conspicuous place on its front and back a distinguishing mark in the form set out in the diagram in Part 1 of Schedule 11.
- (8) The condition set out in paragraph (9) only applies in respect of a motor cycle or moped.
- (9) The condition is that the holder of the provisional licence must not drive a motor cycle or moped that does not have displayed in a conspicuous manner a distinguishing mark that –
  - (a) forms part of, or is securely fixed over its entire surface to a rigid plate at the back of the motor cycle or moped on which in accordance with the [Motor Vehicle Registration \(General Provisions\) \(Jersey\) Order 1993](#) the registration mark of the motor cycle or moped is exhibited; and
  - (b) is in one of the forms set out in the diagrams in Part 2 of Schedule 11.
- (10) The condition set out in paragraph (11) does not apply –

  - (a) a vehicle propelled by steam;
  - (b) a road roller;
  - (c) a road construction vehicle;
  - (d) a motor tractor the unladen weight of which does not exceed 7.5 tonnes;
  - (e) a prime mover to which no trailer is attached;
  - (f) a breakdown vehicle;
  - (g) a track-laying vehicle that is being used primarily for work in connection with agriculture, the laden weight of which does not exceed 1.5 tonnes.
- (3) In paragraph (2) –

“breakdown vehicle” means a vehicle fitted with apparatus designed to raise a disabled vehicle partly from the ground and then to draw it when so raised (whether by partial superimposition or otherwise), the breakdown vehicle being a vehicle that –

  - (a) is used solely to deal with disabled vehicles;

- (b) is not used to convey a load other than a disabled vehicle when raised, and supplies and equipment to operate the breakdown vehicle; and
- (c) has an unladen weight not exceeding 3.05 tonnes;

“road construction vehicle” means a vehicle used or kept on the road solely for the conveyance of built-in road construction machinery (with or without articles or materials used for the purpose of that machinery);

“road roller” means a mechanically propelled vehicle with heavy rollers at the front and rear designed to compress the surface of roads in the course of road making or maintenance;

“prime mover” means a motor car as defined in Article 2 of the Law that is so constructed that a trailer designed to carry goods may by partial superimposition be attached to the vehicle in such a manner as to cause a substantial part of the weight of the trailer to be borne by the vehicle.

- (4) A category B licence (not being a provisional licence) authorizes a police officer, a member of the States of Jersey Fire and Rescue Service, a Traffic Officer, a member of the States of Jersey ambulance service or a person acting under the direction of a police officer to drive any category of vehicle if it is necessary to do so to remove or avoid an obstruction to other road users or other members of the public, to protect life or property or for any similar purpose.
