- (2) A duplicate badge may be issued, if the badge which it will replace has been lost or stolen or has become so mutilated or faded as to cease to be effectively legible when displayed on a vehicle, and shall be issued only for such period as remains unexpired of the period of issue of the badge which it will replace.

6 Grounds for refusing to issue badge

- (1) The authority may refuse to issue a disabled person's badge only if –

 - (b) an application for a badge (including a duplicate badge) is not accompanied by the fee set out in Article 4; or
 - (c) a badge already issued to an applicant has become due for return to the authority in any of the circumstances specified in Article 7.⁵
- (2) Paragraph (1)(a) shall not apply in relation to an application by a disabled person if the application is made on the grounds that he or she is a disabled person of a description prescribed by Article 3(b).
- (3) Paragraph (1)(a) shall not apply in relation to an application by a person who has had one or both legs amputated (whether in whole or in part) if the application is for a disabled person's badge (other than a duplicate badge) to be issued to the person after a previous issue of a disabled person's badge to the person.⁶
