BAILIWICK OF GUERNSEY

1 January–30 April 2021

A. GUERNSEY

1. LAWS APPROVED BY THE STATES OF DELIBERATION

(a) *Health Service Benefit (Amendment and Miscellaneous Provisions) (Guernsey) Law 2021*

(*Billet d'État* No V of 2021. Approved 24.02.21)

The Law provides (at s 1) for the transfer of monies forming part of the Guernsey Health Service Fund (“the Fund”) to the general revenue, on a date to be appointed by regulations, and for the consequent closure of the Fund. At ss 2–5 the Law amends the Health Service Benefit (Guernsey) Law 1990, the Social Insurance (Guernsey) Law 1978 and the Health Service (Benefit) Ordinance 1990, to—

- (i) make changes consequent on the closure of the Fund,
- (ii) repeal provisions relating to Medical Benefit, Specialist Medical Benefit, Physiotherapy Benefit and Alderney Hospital Benefit, and to make changes consequential to those repeals,
- (iii) provide for the Committee for Health & Social Care to have power to make provision in relation to Pharmaceutical Benefit and medical appliances by regulation and Committee resolution,
- (iv) provide for the appointment of a Health Administrator in respect of the administration of the remaining statutory benefits under the Health Service Benefit (Guernsey) Law - 90 and subordinate legislation, and
- (v) repeal provision relating to travelling allowance grant.

Section 6 of the Law creates a power for the States to make any further consequential, incidental or supplementary provision by Ordinance. Power to make similar provision specifically in relation to the closure of the Fund is comprised within the regulation-making power at s 1.

The Law also makes several repeals at s 7 and Schedule 1, and at s 8 and Schedule 2 creates power for the Committee for Health & Social Care to make regulations for the purpose of ensuring that specified categories of person—for example, those who have a prospective right to or expectation of a statutory health service benefit immediately before commencement of the Law—do not suffer a detriment as a consequence of the repeal of those benefits by the Law. Sections 9–11 are concerned with the interpretation, citation and coming into force of the Law.

(b) *Police Force (Bailiwick of Guernsey) (Amendment) Law 2021*

(Billet d'État No V of 2021. Approved 24.02.21)

The Law amends the Police Force (Guernsey) Law 1986 to extend the powers contained therein to the rest of the Bailiwick. The Committee may make an agreement with a police force in the United Kingdom, or with the States of Jersey Police Force, to place members of that force in the Bailiwick of Guernsey under the conditions set out in ss 1 and 2.

2. ORDINANCES APPROVED BY THE STATES OF DELIBERATION

- (a) *Disclosure (Bailiwick of Guernsey) (Amendment) Ordinance 2021*
(Billet d'État No V of 2021. Approved 24.02.21—in force 01.03.21)
 The Ordinance amends the Disclosure (Bailiwick of Guernsey) Law 2007 by modifying the powers of the Director of the Revenue Service and other specified persons to disclose information to police and customs officers for the purposes of civil forfeiture and to take account of recent amendments to the Forfeiture of Money, etc in Civil Proceedings (Bailiwick of Guernsey) Law 2007.
- (b) *Social Insurance (States Pension) (Amendment) (Guernsey) Ordinance 2021*
(Billet d'État No V of 2021. Approved 24.02.21—in force 01.03.21)
 The Ordinance amends the Social Insurance (Guernsey) Law 1978 to give effect to the policy decision to change the name of “old age pension” to “States pension”. Consequential amendments are also made to other legislation referring to the benefit.
- (c) *Income Tax (Charitable Donations) (Guernsey) (Amendment) Ordinance 2021*
(Billet d'État No VIII of 2021. Approved 24.03.21—this Ordinance shall be deemed to have come into force on 01.01.21)
 The Ordinance amends s 64B(1)(d) of the Income Tax (Guernsey) Law 1975 to increase the maximum aggregate amount of donations that may be made to Guernsey Registered charities and be exempt from income tax in any year of charge from £5,000 to £7,500.
- (d) *Land Planning and Development (Visitor Accommodation) (Amendment etc) Ordinance 2021*
(Billet d'État No VIII of 2021. Approved 24.03.21—in force 01.04.21)
 The Ordinance provides for a temporary relaxation of planning use controls for visitor accommodation in view of the ongoing issues faced by the visitor economy as a result of the coronavirus pandemic.
 The Ordinance amends the Land Planning and Development (Exemptions) Ordinance 2007 to add a new exemption from the need for planning permission for a change of use of visitor accommodation to certain residential uses but only if that change of use is one which occurs in the period from 25 March 2020 to 31

December 2021 (“temporary exemption”). The temporary exemption is subject to specified conditions including that the land reverts back to its previous lawful use, immediately before the 25th March 2020 on or before the 31 January 2022. Provision is also made for an exemption from the requirement for planning permission for a change of use of the same premises back to the previous lawful visitor accommodation in compliance with the provisos to the temporary exemption.

The Ordinance also provides for a modification to s 48(4) of the Land Planning and Development (Guernsey) Law 2005 so that in calculating the period within which a compliance notice may be issued no account is taken of the period during which the temporary exemption allows visitor accommodation to be used for non-visitor accommodation uses *i.e.* from the coming into force of the Ordinance until the 31 January 2022. This is in case a change of use is made in reliance on the temporary exemption but one of the conditions is not met so that a breach of planning control occurs.

- (e) *Copyright (Bailiwick of Guernsey) (Amendment) Ordinance 2021* (*Billet d’État* No VIII of 2021. Approved 24.03.21—in force 26.03.21)

The Ordinance amends ss 50 and 56 of the Copyright (Bailiwick of Guernsey) Ordinance 2005 (“the Copyright Ordinance”) to permit museums and galleries to make or accept replacement works.

Section 56 currently applies to not for profit libraries and archives. The museums and galleries that will be able to benefit from s 56 of the Copyright Ordinance as so amended will be prescribed in the Copyright (Prescribed Libraries, Archives, Museums and Galleries and Copying of Copyright Material) (Bailiwick of Guernsey) Regulations 2021 (“the Prescribed Libraries Regulations”), which will come into force on the same day as the Ordinance.

The Ordinance also amends s 56 of the Copyright Ordinance to:

- (i) extend the scope of works that may be copied to works of any type, including sound-recordings, and
- (ii) allow multiple copies to be made.

All copying pursuant to s 56 of the Copyright Ordinance must also comply with the conditions laid out in the Prescribed Libraries Regulations.

- (f) *Terrorism and Crime (Bailiwick of Guernsey) Law 2002 (Amendment) Ordinance 2021* (*Billet d’État* No IX of 2021. Approved 28.04.21—in force 03.05.21)

The Ordinance amends the Terrorism and Crime (Bailiwick of Guernsey) Law 2002 (“the 2002 Law”). The amendments are closely based on provision made in United Kingdom legislation, in Schedule 3 to the Counter-Terrorism and Border Security Act 2019, and Schedule 1 to the Counter-Terrorism and Security Act 2015.

The Ordinance principally amends Schedule 8 (Port and Border Controls) to the 2002 Law. It also amends the index of defined expressions at s 80, and Schedule 9 (Detention).

Section 1 amends the index of defined expressions, which amendments are consequential on amendments made to Schedules 8 and 9 at ss 2–5. Sections 2–4 contain amendments of Schedule 8, grouped as follows: provisions in relation to the seizure and retention of travel documents at s 2, provisions in relation to “hostile activity” at s 3, and other amendments at s 4, which include widening the definition of “examining officer” to include a customs officer. Section 5 contains amendments to Schedule 9, which include providing for an increase in the period of detention that may be applied for on application to the Bailiff for a warrant for further detention from 7 to 14 days. As elsewhere, these amendments are based on the position in the relevant United Kingdom legislation.

- (g) *Gambling (Channel Island Lottery) (Bailiwick of Guernsey) (Amendment) Ordinance 2021*

(*Billet d’État* No IX of 2021. Approved 28.04.21—in force 30.04.21)

The Ordinance amends the Gambling (Channel Island Lottery) (Bailiwick of Guernsey) Ordinance 1975 to extend the deadline by which a report on the Channel Islands Lottery must be submitted to the States from the 31 March to the 30th June in each year.

- (h) *Companies (Guernsey) Law 2008 (Miscellaneous Amendments) Ordinance 2021*

(*Billet d’État* No IX of 2021. Approved 28.04.21—in force 01.05.21)

This Ordinance amends the Companies (Guernsey) Law 2008 (the “Law”).

Section 3 amends s 25 of the Law to allow a company to change its name by any other means as may be specified in its articles, as an alternative to passing a special resolution.

Section 6 amends s 52A of the Law to permit a poll of the holders of cell shares to be held or demanded on a proposal to convert a cell of a protected cell company into a non-cellular company, in addition to the current provision for written consent or a show of hands.

Section 7 amends s 69(2)(b) of the Law to provide that in the case of an amalgamated body corporate which is a new company, the requirement of s 15(3) of the Law that the founder member shall subscribe to the memorandum of the company will be satisfied where at least one founder member of the company subscribes.

Section 9 amends s 84(1)(b) of the Law to provide that in the case of an amalgamated body corporate which is a company which is migrating to Guernsey, the requirement of s 15(3) of the Law that

SUMMARY OF LEGISLATION: GUERNSEY

the founder member shall subscribe to the memorandum of the company will be satisfied where at least one founder member of the company as proposed immediately after registration as a Guernsey company subscribes.

Section 11 amends s 110 of the Law to define the meaning of 75% in value in that section. Section 12 and 13 amend the Law to allow divergence between the membership of the board of directors of an incorporated cell that of its incorporated cell company, provided that at least one of the directors of an incorporated cell shall also be a director of its incorporated cell company.

Section 14 amends the Law to provide that the deeming of a meeting of directors to be held in the place in which the chairman is present, is subject to the company's memorandum and articles, or a resolution of the company's board.

Section 15 amends the Law to provide that a notice of a general meeting which is to be held entirely electronically must state the means and manner by which persons may attend.

Sections 16 to 21, 23 and 26 repeal provisions of the Law which are no longer considered to be necessary.

Section 22 amends s 260 of the Law to widen the scope of which partnerships or body corporates are qualified for appointment as auditor of a Guernsey company; inserts a power for the Committee for Economic Development (the "Committee") to authorise partnerships and body corporates to audit the accounts of companies; and inserts a power for the Committee to make regulations prescribing a fee payable to the Committee by any person or body making an application for authorisation.

Section 24 amends the Law to provide that a company's shares may not be converted into stock. Section 25 amends the Law to provide that, for the purposes of the Law, companies may make an offer of shares in lieu of dividends to shareholders by publication in La Gazette Officielle, or in any other manner allowed by the company's articles, should the law of the jurisdiction in which the shareholder is resident prohibit or restrict the making of an offer of shares in lieu of dividends.

Sections 27 and 28 amend the Law so that member approval of certain actions relating to "off-market" acquisition by a company of its own shares need only be by ordinary resolution rather than special resolution. Section 29 amends s 337 of the Law enabling a notice to acquire shares in a company takeover to be issued as soon as the requisite 90% threshold has been reached. It also makes further provision relating to shares which will not be taken into account in calculating the 90% threshold.

Section 30 amends the Law to provide that the Registrar of companies may destroy documents received or issued by, or on behalf of, the Registrar where a copy in electronic form is retained.

Section 31 amends the definition of confidential information in s 532(1), to clarify, for the avoidance of doubt, that a director's usual

residential address is only confidential information where the address in the company's register of directors is a service address and his usual residential address has been notified to the Registrar in accordance with the requirements of s 148.
