Section 1 of this Ordinance amends s 8(4) of the Social Insurance (Guernsey) Law 1978 to change the formula for calculating voluntary class 3 social insurance contributions, so that the figure is aligned with the minimum weekly amount payable by a non-employed person under pension age. This was necessary to avoid a situation where the current means of calculating the rate in s 8(4), as a result of the changes approved in 2019 to the allocations of social insurance contributions into the various funds and the proposed increases in the rates, would have resulted in an inappropriately high figure for the voluntary contribution for non-employed persons.
This Ordinance sets the percentage contribution rates of Class 1 to 3 social insurance contributions for 2022. It also sets the upper and lower income limits, amounts of contributions and the Class 3 income allowance and increases the amounts of contributory social insurance benefits set out in the First Schedule.
As well as the usual repeal of last year's rates Ordinance and another Ordinance where all of the provisions are superseded or spent, the Ordinance also repeals a 2016 Ordinance as the only part of it still in force will not be required from 1 January 2022 as it relates

to the setting of the percentage by reference to which the States' grant into the Guernsey Insurance Fund is calculated. The States resolved in June 2019 that no grant be paid to the Guernsey Insurance Fund and the relevant section in the Social Insurance Law relating to the grant will be repealed when the Health Service Benefit (Amendment and Miscellaneous Provisions) (Guernsey) Law 2021 comes into force on 1 January 2022.

The benefit rates are increased from 3 January 2022 and the rest of the Ordinance comes into force on 1 January 2022.

It provides that a person who held a position on the Guernsey Tax Tribunal immediately before the commencement of this Ordinance shall be deemed to have been appointed to the corresponding position on the Guernsey Revenue Service Tribunal and any proceeding or matter before the Guernsey Tax Tribunal immediately before commencement may be continued before the Guernsey Revenue Service Tribunal.

The Ordinance amends references to the Guernsey Tax Tribunal in the Income Tax (Guernsey) Law 1975. It also amends the Social Insurance (Guernsey) Law 1978 to specify questions for determination by the Administrator and Director of the Revenue Service, appeals against decisions of the Director of Revenue Service, and appeals to the Ordinary Court and Court of Appeal.

inserted provision to “the Committee”, to make clear that the Health Administrator is to be appointed by the Policy & Resources Committee on the recommendation of the Committee for Health & Social Care, and shall carry out such functions as are assigned to him or her under the 1990 Law, any other enactment and by the Committee for Health & Social Care.

- (m) *Severe Disability Benefit and Carer’s Allowance (No 2) Ordinance 2021*

(*Billet d’État* No XXV of 2021. Approved 15.12.21—in force 03.01.22)

This Ordinance amends the weekly rate of severe disability benefit and carer’s allowance and the annual income limits for the same under the Severe Disability Benefit and Carer’s Allowance (Guernsey) Law 1984 with effect from 3 January 2022.

- (n) *Income Support (Implementation) (Amendment) (No 3) Ordinance 2021*

(*Billet d’État* No XXV of 2021. Approved 15.12.21—in force 07.01.22)

This Ordinance amends the benefit limitation rates (in effect the maximum amount of benefit a claimant can receive), the short-term and long-term requirement rates on which the calculation of income support is based, the level of maximum rent allowances added in calculating a claimant’s requirements and the level of personal allowances payable to people in residential homes who are in receipt of income support under the Income Support (Guernsey) Law 1971 with effect from 7 January 2022.

The Ordinance also amends para 11 of the First Schedule to the Income Support (Implementation) Ordinance 1971 so that any grant made by the Committee for Education, Sport & Culture in relation to a university or other further education course in respect of a person who is a dependant of a claimant for income support and the wages of any person in respect of whom such a grant is made are disregarded in calculating a claimant’s resources for the purposes of an income support claim. Currently para 11 only provides for such monies to be disregarded until the beginning of August following a student’s nineteenth birthday, *i.e.*, whilst the student would be treated as a child for the purposes of the Family Allowances Law.

- (o) *Family Allowances (Guernsey) (Amendment etc) Ordinance 2021*

(*Billet d’État* No XXV of 2021. Approved 15.12.21—in force 03.01.22)

This Ordinance amends s 1 of the Family Allowances (Guernsey) Law 1950 so that family allowance is only paid to families with a gross household income of less than £120,000 and in respect of children aged under 18.

Section 19(1) of the Law is also amended as the current wording is unclear as to what kind of agreement is required in order for a

married couple to be deemed to be living apart. This is important in relation to the new definition of gross household income. The section is amended just to refer to a married couple being permanently separated which reflects the practice followed by the Committee.

The Ordinance also amends the rate of family allowance under the Family Allowances (Guernsey) Law 1950 with effect from 3 January 2022.

B. ALDERNEY

1. LAWS APPROVED BY THE STATES OF ALDERNEY

- (a) *Partnership (Alderney) Law 2021*
(*Billet d'État* 17.11.21. Approved 17.11.21)
This Law makes provision in Alderney in respect of partnerships in very largely the same terms as the Partnership (Guernsey) Law 1995 (“the Guernsey Law”) does in Guernsey, subject to appropriate modifications (for example, powers conferred on the Royal Court in the Guernsey Law are conferred on the Court of Alderney). As such, it makes provision in respect of the nature of partnerships, the relations of partners to third parties, the liability of partners and partnerships, the relations of partners and partnership property (including the variation of partnership terms and the expulsion of partners), and the dissolution of partnerships.
- (b) *Limited Partnerships (Alderney) Law 2021*
(*Billet d'État* 17.11.21. Approved 17.11.21)
This Law makes provision in Alderney in respect of limited partnerships in very largely the same terms as the Limited Partnerships (Guernsey) Law 1995 (“the Guernsey Law”) does in Guernsey, again subject to appropriate modifications. As such, it makes provision in respect of the formation, conduct and dissolution of limited partnerships, which shall consist of one or more general partners, who shall be jointly and severally liable for the debts of the partnership, and one or more limited partners, who may not participate in the conduct or management of the limited partnership and who shall not be liable for any debts of the partnership beyond the amount they have contributed to the partnership. It differs from the Guernsey Law, however, in providing in addition for limited partners who are “administrative partners”, who (subject to certain protections) may participate in the conduct and management of the limited partnership, and may transact the business of, sign and execute documents for and otherwise bind the limited partnership. In this way an administrative partner would in some ways be in a similar position to a limited partner in a private fund limited partnership formed under the Limited Partnership Act 1907 as amended, though his or her power to act in the management of the partnership business would not be restricted in the same way.
The Law requires every limited partnership established under it to have a registered office in Alderney, and provides for the Alderney Greffier to establish and maintain a Register of Limited Partnerships, in which every limited partnership is required to be registered.
- (c) *Gambling (Alderney) (Amendment) Law 2021*
(*Billet d'État* 17.11.21. Approved 17.11.21)

This Law increases several criminal penalties for offences under the Gambling (Alderney) Law 1999.

C. SARK

1. LAWS APPROVED BY THE CHIEF PLEAS OF SARK

(a) *Reform (Sark) (Amendment) Law 2021*

(*Billet d'État* 17.11.21. Approved 17.11.21)

This Law makes permanent provision for emergency procedures in relation to meetings of the Chief Pleas and committees broadly similar to those introduced by emergency regulations during restrictions imposed during the Covid-19 pandemic. The provisions will only apply upon the making of a determination by the Speaker, upon representations from the Civil Contingencies Authority, that an emergency situation exists which make it appropriate for the new Part (Emergency Procedures) to apply. The new Part includes: provision enabling meetings to be held remotely; proxy voting in certain circumstances; a reduced quorum; modification of rules of procedure for remote meetings; and the power by Ordinance to defer elections (for not more than 6 months) and to allow postal voting.

(b) *Compulsory Purchase (Electricity) Law 2021*

(*Billet d'État* 21.12.21. Approved 21.12.21)

Following threats to discontinue the generation and supply to the public of electricity on Sark, this Law provides a mechanism for Chief Pleas compulsorily to purchase the assets of Sark Electricity Ltd and any holding or subsidiary company (“SEL”) in exchange for the payment of compensation, in a sum to be determined in accordance with the provisions of Schedule 2 to the Law (“the statutory compensation”).

The Law provides, at s 2, for those assets to be transferred to Chief Pleas at 9am on “the relevant day”, at which time (under s 4(1)) the statutory compensation shall be payable by Chief Pleas (and be recoverable as a debt and carry interest at the same rate as a judgment debt), and (under s 3(1)) contracts and leases of real property to which SEL is a party shall continue to have effect in accordance with their terms as if Chief Pleas was substituted as a party thereto for SEL. Section 1 defines “the relevant day” for the purposes of the Law as seven days after a binding agreement is entered into between Chief Pleas and SEL under para 5(3) of Schedule 2 or the day appointed for the purpose by an order made under para 6 of that Schedule, as the case may be.

Section 3(2) provides that Chief Pleas shall not be liable for any breach of contract, breach of the terms of a lease, or other act or failure to act by SEL committed or done after 21 June 2021. (The significance of this date is that it is the date of the resolution of Chief Pleas mandating the preparation of the legislation.) Section 3(3) confers on the Policy & Finance Committee of Chief Pleas (“the Committee”) the power to make regulations modifying the

application of sub-s (1) or (2) for the purpose of preventing any unfairness to a third party, and provides that this power includes the power to suspend the application of either subsection.

Section 4(2) provides that the statutory compensation shall not be recoverable as a civil debt nor carry interest in circumstances where Chief Pleas have offered to make payment and cannot do so as a result of actions of SEL, or where in all the circumstances it is not reasonable that the subsection should apply.

Section 5 is a standard form exclusion of liability provision for persons undertaking functions under the Law, and s 6 is concerned with the service of notices under the Law. Section 7 is concerned with regulations under the Law, and provides that the committee must consult Her Majesty's Procureur, and take into account her advice, before making regulations under s 2 or s 3.

Section 8 is the interpretation clause. Sub-section (2) provides that where, after having consulted Her Majesty's Procureur, the Committee is satisfied that all or most of the assets of SEL were transferred to a third party on or after 21 June for the purpose of frustrating the operation of the Law, the Committee may apply to the Court of the Seneschal for an order that references in this Law to SEL are to be construed as including references to that third party, and that on the making of such an order, this Law shall be construed and applied in accordance with its terms. Subsection (4) requires that notice of an application for such an order must be given to the third party in question and SEL.

Section 9 is the citation clause, and s 10 is the commencement clause.

Schedule 1 identifies the assets to be transferred under the Law.

Schedule 2 is concerned with the process by which the statutory compensation is to be determined. Paragraph 1 provides that within 30 days of the commencement of the Law, SEL and the Committee may jointly appoint a valuer to determine the value of the assets and interests to be transferred. It also sets out some definitions for the purposes of the Schedule, including "the parties" as meaning SEL and the Committee (on behalf of Chief Pleas). Paragraph 2 provides that if no appointment is made within that period of 30 days, either party may apply to the Court of the Seneschal for an order appointing a person to be the valuer, and para 3 provides that within 14 days of such an order being made, either party may apply to the Royal Court for an order setting aside the order of the Court of the Seneschal and appointing another specified person as the valuer. It also specifies the possible grounds of such an application, and that it shall be made in such manner as the Royal Court thinks fit.

Paragraph 4 confers on a person appointed as the valuer by a court the right to apply to the appointing court for such directions in respect of the preparation of the valuation as the court thinks fit, and provides that any costs reasonably incurred by the valuer in making such an application shall be borne by Chief Pleas. Paragraph 5 provides that

the valuer's reasonable costs of the valuation shall be borne by Chief Pleas, and that when the valuer has undertaken the valuation he or she is required to serve a notice on the parties setting out the amount of the valuation and any supporting or explanatory information. Sub-paragraph (3) provide that unless an application is instituted within 28 days of the date of the notice of the valuation under para 6, a binding agreement to sell the relevant assets and interests for the valuation sum shall be deemed to have been entered into for the purposes of s 1(a) 56 days after service of the notice on the parties.

Paragraph 6 provides that either the party may apply to the Royal Court within that period of 56 days for an order setting aside the valuation, specifying a new valuation sum, and appointing the relevant day for the purposes of s 1. It also specifies the grounds of such an application, and that it shall be instituted within a period of 28 days immediately following the date of the notice of the valuation, and in such manner as the Royal Court thinks fit. Paragraph 7 is a standard form provision providing for an appeal from a decision of the Royal Court to lie, with the leave of the Royal Court or the Court of Appeal, to the Court of Appeal on a question of law.
